

## **Doenitz Faces Operation**

**BERLIN, Jan. 5 (UP)**—Former Grand Admiral Karl Doenitz, Nazi war criminal serving a ten-year term in Spandau Prison, has been removed to a British military hospital for a prostate operation, informed sources reported today. Doenitz, who headed the crumbling Third Reich for a short time after the death of Adolf Hitler, will be operated on soon by a United States specialist, these informants added.
